This matter comes before the Public Service Commission of South Carolina (the Commission) on the request by both parties in this Docket for a continuation of the hearing and the pre-filing deadlines in this matter. Both parties have represented to the Commission that they wish to continue the hearing so that settlement negotiations may proceed.

This Commission encourages settlement negotiations in complaint actions of this nature, and therefore, believes that the request for continuance of the hearing should be granted. Further, the pre-filing deadlines set forth by this Commission in Order No. 94-999, dated September 23, 1994, are hereby continued indefinitely so that the parties may continue their settlement negotiations.
